Cover Letter

To Whom it May Concern,

I am interested in a teaching position for the upcoming school year. I earned my Bachelor of Education (B.Ed.) degree in Elementary and Early Childhood Education from the University of Hawai'i at Manoa. Upon graduation, I obtained my Hawai'i Teachers Board license, thus designating me as a Highly-Qualified Teacher in the Hawai'i Department of Education.

For three years, I worked at Honowai Elementary School in Waipahu, Hawai'i as a kindergarten teacher. Then, I worked as a first grade teacher in Southfield, Michigan for another two years. I applied practical skills and knowledge in the classroom, and collaborated with colleagues to improve my instruction, assessment, and dispositions as an educator. I created positive interactions with adults as well as students in order to create an authentic community and culture for learning.

I am passionate and motivated to help students learn and reach their greatest potential. I also enjoy collaborating with others in order to achieve goals and grow professionally. My Resume provides further details, and if any additional information is needed, please contact me via email or phone. I look forward to hearing from you.

Respectfully,
Kaile Kim
